

DMCS ANNUAL DAY CELEBRATIONS 2023

Life and its twisted labyrinth has always kept us engaged in one way or the other. In the midst of this experience when something as exciting and enthralling as Annual Day Celebrations pitch in, our moments of happiness, fun seem to get inflated. DMCS Banaswadi Annual Day Celebrations came in as breeze of fresh air for the DMCS family. Under the able leadership and guidance of our Chairman - Dr. Joseph V G, the Cultural Fiesta was well spread over a period of two days with Day 1 being dedicated to Grade VI to XII and Day 2 exclusively slated for Pre - Nursery to Grade V.

27th January, 2023 was a bright, winter morning witnessing the school decked up with exquisite decorations. The Chief Guest for the Annual Day Celebrations was Mr. Suresh Kumar - CEO and Director Martial Volvo Cars, Dr. Ramamurthy - Block Education Officer, Ms. Vijayalakshmi - CRP (Cluster Resource Person) and Mr. Thippeswamy - BRC (Block Resource Coordinator). The School Authorities present for the day were - DMCS School Director - Ms. Vrinda Coutinho, DMCS Banaswadi Principal - Ms Vinetha David, DMCS Banaswadi Vice Principals - Ms. Madhurima Srivastava & Mr. Bhuwan Chandra, DMCS Vidyanarayapura Principal In charge - Ms Roopalakshmi and Coordinator - Ms. Nalini. The coveted DMCS Anthem and a warm welcome speech kick-started the event. An elegant Invocation dance was wonderfully presented. The Chief Guest profile was subsequently read followed by the warm felicitation extended to him. The lighting of the ceremonial lamp was a beautiful sight to behold. The Cultural Programmes commenced with massive ardour and euphoria. A beautiful dance and music ensemble was a visual treat to the swarming audience. The music and dance themes were well divided between Indian and Western dance forms. A well presented mime show and mind - boggling Fashion Show were also interspersed with the medley of programmes. Sandalwood, Bollywood, Western, Punjabi, Gujarati, Marathi were the various golden threads of the musical and dance tapestry. DMCS School Principal Ms. Vinetha David presented the DMCS Annual Report, elucidating on the tall achievements and laurels earned by the DMCS fraternity of students and teachers. The Chief Guest - Mr. Suresh Kumar, in his inspiring speech enumerated various important points emphasising on the value of blending Academics with Extra Curricular activities, optimally. The Chief Guest - Dr. Ramamurthy in his enchanting speech emphasised on the recurring need of encouraging 'Slow Learners' in school and providing umpteen options to boost their educational output.

An endearing and affectionate vote of thanks brought the mega-extravaganza to a sophisticated closure.

Day 2 - 28th January, 2023 carried the legacy of Day 1 of Annual Day Celebrations 2023 forward with grace. The Chief Guest for the Annual Day Celebrations was Ms. V J Inchara - working at Udaya Music as a successful host. The Special Guest present for the day was Kannada Cine Choreographer - Mr. Jay Hari. The School Authorities present for the day were - DMCS Secretary - Mr. Nainan P Oommen, DMCS School Director - Ms. Vrinda Coutinho, DMCS Banaswadi Principal - Ms Vinetha David, DMCS Banaswadi Vice Principals - Ms. Madhurima Srivastava & Mr. Bhuwan Chandra. An emphatic welcome speech was followed by a sparkling welcome dance performance by the young stars. The profile reading of the Chief Guest, Special Guest and their felicitation was received with a thunderous applause. The lighting of the ceremonial lamp made the ambience aglow and gleaming. Musical and Dance performances brought a twinkle in the eyes of the energetic audience. A Mime show based on the theme of family bonding was a treat to watch by the audience. The Flash Mob and Rhyme presentation bewildered the audience at the immense talent possessed by the younger generation. The Fashion Show by the stars of the day was phenomenal in its presentation. The ease and confidence demonstrated by the small children on stage filled the parents with delight and pride. The Chief Guest - Ms. Inchara in her speech deeply appreciated the Mime Show showcased on stage and emphasised on the theme of 'Family Bonding' it was based upon. She laid focus on family ties and exhorted to be connected with family, at all milestones of life. Day 2 was indeed a day of accomplishments - it was true manifestation of seeing the holistic development of DMCS students blossom into future adolescents. The day aptly concluded with a pleasant vote of thanks and the revered National Anthem.

DMCS Annual Day Celebrations 2023 was a milestone - a time to pause and enliven the growth, development and nurturing of our young DMCS students with their immense talent. It was a team effort which saw the collaboration of Management, Teachers, Students contribute and organise such a successful extravaganza. The memories will remain ineradicable.

Kudos to the DMCS Family !

Ms. Madhurima Srivastava - DMCS Banaswadi - Vice Principal

Annual Day Celebrations Kindergarten – Grade V : Day 2

DMCS Club Exhibition Extravaganza

The Literary Club at Deva Matha Central School offers a myriad of possibilities for students to develop a flair for different languages. It fosters the creative and analytical skills of the students, and helps them articulate their thoughts in the most creative way.

English Club Exhibition

The English Club in association with Library club gave an opportunity to the DMCS students by encouraging them to participate in various activities like 'Art Garden' for Grade VI and VII, Poster Making on 'Indian English Authors' (Fiction and Non-fiction) for Grade VIII and IX and collage making on 'Poetic Devices', 'Environmentalists of India' for Grade X. The exhibition was extraordinary as it enabled the students to learn the core concepts of English as a language, with lucidity and ease.

Hindi Club Exhibition

Hindi club students showcased their creativity through an exhibition and displayed their projects on Water Filtration, Garbage Segregations, Famous Environmentalists and Jal Chakara in the form of chart work and models.

All students participated with great enthusiasm, which will go a long way to heave their creativity and improve communication skills.

Kannada Club Exhibition

The Kannada Club Exhibition was quite enchanting. Kannada club students came up with theme based projects on Environment - they made informative charts about environmentalists, created models about segregation of garbage, water pollution etc. It was a well presented and displayed initiative.

LIBRARY CLUB Exhibition

The Library Club experience is a great way to motivate children to read, get them talking about books, and have them share ideas and perspectives. They participated in making numerous book projects for the Library Club such as: Author's Odyssey (table Boards), Book Tree, Book Mark of various shapes with book quotes, Avid Readers Award Winning Boards, Photo Shoot Spot with Book Project Decoratives. The Delegates, teachers and students (in turns) visited Library Club with joy and excitement.

Art and Craft Exhibition

The Art and Craft Club was a visual odyssey for the DMCS family. The students engaged themselves in a tapestry of activities like Canvas Painting, Pencil Shading, Fabric Painting, Pot Painting, Wall Hanging, Glass Painting. We really feel delighted to see our students come a long way in terms of creativity and ingenuity.

Maths Club Exhibition

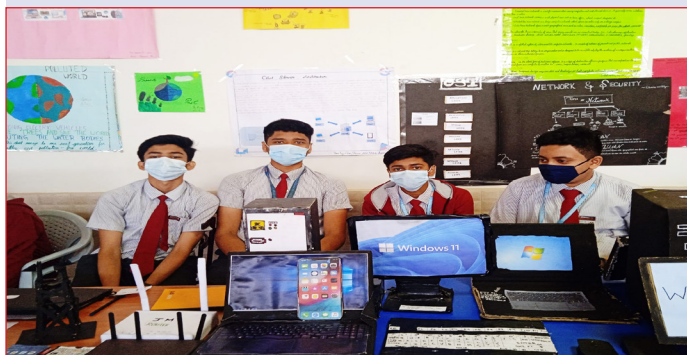

The Maths Club Exhibition was successfully held for students from Grade VI to Grade X. The theme of the event was "Maths in Environment" which aimed at correlating Mathematical concepts to real time applications in Environment. Students presented creative models to demonstrate concepts of symmetry, graphs, pie charts, triangles etc. Students realized how basic ideas of Maths could affect large structures like bridges, wind mills, railway tracks and many more.

Computer Science Club Exhibition

The Computer Science Club Exhibition was elegantly demonstrated for students of Grade VI to Grade X. The early computing devices and calculation models like Abacus, Napier Bones, Pascal's Analytical Engine were developed and explained by the students of Grade VI and VII.

The Networking models like Local Area Network (LAN), Metropolitan Area Network (MAN), Wide Area Network (WAN) and Client Server Architecture were developed and explained by the students of Grade VIII and IX.

Wired and Wireless communication using modems, routers, Wifi connectivity techniques, OSI (Open System Interconnections) model were designed and explained by the students of Grade X.

Science Club Exhibition

The Science Club Exhibition was impressively organised for students from Grade III to Grade XII. The models which were beautifully showcased for the excited students were - Wind energy, Eco Friendly home,

Working Models on Rain Water Harvesting, Gobar Gas Artificial Fountain, Global Warming.

It was quite a productive and informative ensemble of working models at the Science Exhibition.

Heritage Club Exhibition

The Heritage Club Exhibition was quite a sight to behold. It was a one stop destination to witness the historical awareness amongst students. Students understood the importance of protecting and preserving our historical goldmine. Many breath-taking models eg. Qutub Minar, Parliament of India, Soil types etc. were displayed for the delighted visitors.

DMCS @ INTERNATIONAL JAMBOREE - MOODBIDRE

Deva Matha Central School students attended the International Jamboree at Moodbidre from 21st December 2022 to 27th December 2022. It is noteworthy to mention that all the scouts, guides, rovers, rangers, unit leaders and other committee members were addressed by the Honourable Chief Minister – Mr. Basavaraj Bommai and many other dignitaries.

Challenging valley-an exciting module coupled with series of obstacle courses and high rope challenges was one of the most exciting events, the students participated in. Magic Show, Puppet Show, Fun based

activities made the journey more exciting. DMCS Scouts and Guides exhibited their talent in the field of art painting, clay modelling, dance presentation etc. They also visited various Art, Science, Agriculture, Book 'Melas' along with an excited visit to a flower show. The most beautiful memory was visiting the SDG Village where they saw the memories of the Founder of Scouting and Guiding – Lord & Lady Baden Powell. Hiking, Musical Concerts, Yakshagana Performance were the other highlights of the event. Our Guides also served food for different school guides and unit leaders, police personnel etc. which was a sight to behold.

The International Cultural Jamboree was a rewarding event for the Scouts and Guides, Unit Leaders- it left ineffaceable memories with each of us, arriving upon steeper learning contours.

Ms. Aruna – DMCS Guide Captain (ALT)

Ms. Bhoomika - DMCS Lady Scout Master (Advanced)

Farmers' Day - 4th January 2023

Farmers' Day was celebrated with enthusiasm on 4th January by the students of DMCS Vidyaranyapura. The students made placards, presented a talk and a tableau; dressed up in the typical attire of Indian farmers carrying with them baskets of farm produce such as vegetables, fruits and greens. They looked charming in their realistic get up - it was a very productive experience.

NATIONAL YOUTH DAY - 12TH JAN 2023

The Scouts and Guides of Deva Matha Central School, presented talks on the significance of National Youth Day along with a talk on the life and times of Swami Vivekananda. They also mentioned the theme of this year's celebration - 'Viksith Yuva, Viksit Bharath' which means that India can become a developed nation only by building up a progressive youth population to lead the nation on the path of development.

Yogathon - 15th Jan 2023

A delegation of students from DMCS Vidyaranyapura, accompanied by the Scout and Guide Teacher and the Yoga teacher, participated in the Yogathon 2023, organised by the Govt. of Karnataka. The event was held at Jayaprakash Narayan National Youth Training Centre with 15000 students participating, to try to set a Guinness World Record. Our students too participated with enthusiasm and pride to become a part of this wonderful record - making attempt.
