Founder's Day Celebrations

Founder's Day was enthusiastically celebrated at DMCS Banaswadi and DMCS Vidyaranyapura on Saturday 18 June 2022, to mark the birthday of our esteemed Chairman, Dr. Joseph V. G. - Honorary Consul General of Republic of Maldives in Bangalore, and Chancellor of Garden City University.

At Deva Matha Central School, the day was marked by invoking special prayers for good health, peace, happiness and long life of the the Founder. Marking the magnanimity of this auspicious occasion - a special Literacy Drive named *Shiksha ka Aarambh* was launched. Under the aforesaid Adult Literacy Programme the DMCS students took special initiative to promote literacy for the DMCS Housekeeping Staff members. The aim of the programme is to teach them to first sign their names in Kannada, and in an ongoing initiative, through the year to teach them basic reading and writing skills that will include literacy as well as numeracy skills. This unique initiative, it is hoped will empower our house-keeping staff members to do away with the ink pad and thumb impression for good and place in their hands the power of the 'pen' instead!!!

At DMCS Vidyaranyapura, the senior students of Grade X enlightened their juniors with a talk, highlighting Chairman's achievements as an educator and mentor, in his capacity as Chancellor of Garden City University and his role and contributions in the international sphere as Honorary Consul General of the Republic of Maldives in Bangalore. They displayed placards with quotes from the 'Pearls of Wisdom' of Chairman. There was a scintillating dance performance to entertain the children.

At DMCS Banaswadi, the School Dignitaries made the day memorable by visiting the Orphanage - Elizabeth Integrated Development Charitable Trust. Donations in the form of children's books, eatables eg. Biscuits, Chocolates, Flour Packets etc. were warmly handed over to the orphanage residents.

DEVA MATHA CENTRAL SCHOOL WISHES GREAT HEALTH, PEACE AND PROSPERITY TO OUR BELOVED CHAIRMAN ON THE AUSPICIOUS OCCASION OF FOUNDER'S DAY !!

Message from Our Honourable Chairman - Dr. Joseph V. G.

Pandemic has been impressionable in its own negative as well as positive ways. Being a patron for the education industry, I would choose to see the brighter side of it, for a change of perspective.

To begin with, the humungous wave of Digitalization that the Pandemic brought with itself was very impactful and defining. The ripples of digitalization burgeoned its ways into the education sector, wherein the entire student and teaching community reinvented the wheel of education. They learnt, unlearnt and relearnt through modes of Online and Hybrid Education making them build up the good virtues of adaptability, resilience and survival. The Value education quotient of children in particular has massively gone up in these testing times. They have been confronted with adversities at a very tender age wherein they were introduced to the uphill task of learning as well as ensuring physical and mental well being, within the four walls of their homes. Our children have been the undisputed warriors leaving with us a vast repository of experience and

lessons which are worth emulating. Pandemic made us one. One human race, with same sensibilities to bounce back and stand firm in our battle against the impending danger. The inceptive apprehensions gloriously transformed into technological, mental conquests and gradually as the time elapsed life started to become welcoming and less cumbersome. Our DMCS Students are back to school. It is noteworthy to mention that this feat wouldn't have been accomplished without the unabated pursuit of our Teaching Staff, Non Teaching Staff members, parents and the student community and the enduring human spirit to never give up !

Welcome Back to Deva Matha Central School !

Wish you a very rewarding Academic Session 2022-23 ahead.

Chairman - Garden City Group of Institutions**

Nature Lover

Nature is powerful,
It is a gift, not a tool.

God made all things well,
Let's not think about in a shell.

Nature is what we see,
It is not something which is free.

Wondrous beauty will never seize,
It is like an evening with a breeze.

Butterflies fluttering around,
Trees and shrubs going round and round.

When peace and calmness abound,
My heart spins for nature with no bound.

Many secrets nature hides,
Those who seek are very wise.

Birds chirping early in the morning,
When flowers and petals are adorning.

Tall trees are peeping,
On a world that's always sleeping.

So you see,
All the creatures teach an art.

Always carry the song of nature,
Deep and etched in your heart.

THE BEAUTIFUL CUBBON PARK

Cubbon park is a wonderful park. My parents and I went for a walk. The park was full of trees and flowers. It had Pine trees, Banyan trees, Palm trees, Bougainvillea flowers and many other trees. There were birds and animals too. There were mynas, parrots, crows, squirrels etc. I saw many stone carvings too ! I really liked the statue of Mr. Cubbon.
